To Whom It May Concern:

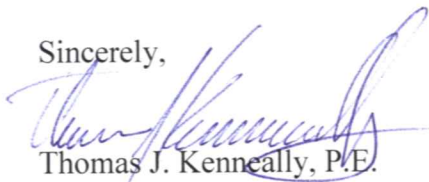

I am pleased to offer this letter of recommendation for D.P. Electric, Inc.

Turner Construction has been working with D.P. Electric for many years, and have found them to be a good member of our construction team. The DPE team can be counted on to be proactive, professional in appearance and manner, and to make safety a priority.

Turner Construction has successfully teamed with DP Electric, Inc on numerous projects here at the Sky Harbor International Airport In-Line EDS Project, such as the Terminal 4 North EDS Additions, the Terminal 2 EDS addition, and the Terminal 3 Demolitions and EDS Additions.

Throughout our business relationship, DP Electric has proven to be dependable and reliable, and dedicated to relationship-building and teamwork. We look forward to our next project with D.P. Electric, and feel confident in recommending them for your Electrical Contracting needs.

Sincerely,

Thomas J. Kenneally, P.E.
Turner Construction Co.
Project Manager
PSHIA In-Line EDS
