To Whom It May Concern:

Please let this serve as a letter of recommendation for D. P. Electric. We have worked with D. P. Electric for many years. I have found their performance to be exceptional. They have excellent field and administrative personnel and are always accommodating no matter what the demands of the project present.

D. P. Electric has become one of our best vendors in reliability and knowledge of their trade. Even when we need something done for our own management office we call upon D. P. Electric.

We have ongoing projects with D. P. Electric and look forward to working with them in the future.

Sincerely,

Sandy Westerberg
