President

To Whom It May Concern:

I'm pleased to take a moment to write this letter of recommendation for DP Electric, Inc. Our business relationship started in 1993 and has continued to be a valued relationship for me and firms and projects that I have represented.

Adolfson and Peterson has completed a number of successful projects with DP Electric. Wildfire Elementary School, Queen Creek Elementary, and the LEED Gold Certified Tempe Transportation Center. Throughout each of these projects, DPE has proven to be a strong team member. Preconstruction pricing assistance has been an early strength, and then during construction – safety, schedule, and quality has been excellent.

I look forward to working with DP Electric, Inc. in the years to come.

Sincerely,

Brock Huttenmeyer
